

# Nokia N75 Data Sheet

## Planned Market Introduction:

Q4 2006

## Category:

Multimedia

## Key Features

- Get to your music collection easily with the music keys on the cover. Synchronize both ways with Windows Media Player.
- Enjoy the beautiful 2.4" high resolution screen. Capture and playback video in landscape mode.
- Snap your favorite shots with the 2 megapixel flash camera in landscape mode. The dedicated shutter button and the big reflective cover display as view finder makes it easy.
- Experience rich full screen MPEG-4 videos with excellent 3D stereo sound quality.
- Browse how you like with the new Nokia Web Browser. Surf the web or share your pictures online. Check your emails on the go!
