

Xiaomi 11T Pro

Cinemagic

Processor

- Qualcomm® Snapdragon™ 888
 - 5nm power-efficient manufacturing process
 - Octa-core design
 - X60 modem for lightning-fast 5G connectivity***
- LPDDR5 RAM + UFS 3.1 storage
 - 8GB+128GB, 8GB+256GB, 12GB+256GB
- Vapor chamber cooling technology
- X-axis linear vibration motor

Camera

- 108MP wide-angle camera
 - f.1.75, 7P lens
 - 2.1µm 9-in-1 Super Pixel
 - 8K recording
 - HDR10+ recording
- 8MP ultra-wide angle camera
 - 120° FOV, f/2.2
- 5MP telemacro camera
- f/2.4, 3-7cm Auto Focus
- Night mode
 - AI Night mode
- Dual Native ISO
- Selfie Night mode

Charging

- 120W Xiaomi HyperCharge
- 5,000mAh (typ)**
- In-box 120W charger

Display & Design

- 120Hz 6.67" AMOLED flat DotDisplay
 - Up to 480Hz touch sampling rate
 - Aspect ratio: 20:9
 - FHD+, 2400x1080
 - TrueColor
 - Over 1 billion colors
 - Brightness: HBM 800 nits(typ), 1000 nits peak brightness(typ)
 - Contrast ratio: 5,000,000:1 (typ)
 - 120Hz AdaptiveSync
 - HDR10+
 - Sunlight mode 3.0, Reading mode 3.0
 - 360° ambient light sensor MEMC
- Dimensions: 204g, 164.1mm x 76.9mm x 8.8mm
- Corning® Gorilla® Glass Victus™ front
- Colors: Meteorite Gray, Moonlight White and Celestial Blue

Audio

- Dedicated dual speakers
- SOUND BY Harman Kardon
- Dolby Atmos®

Connectivity

- Type-C
- Dual SIM, dual 5G standby***
- Supports NFC
- Bluetooth 5.2
- Bands:
 - 5G: n1/n3/n5/n7/n8/n20/n28/n38/n40/n41/n66/n77/n78
 - 4G: LTE FDD: B1/2/3/4/5/7/8/12/13/17/18/19/20/26/28/32/66
 - LTE TDD: B38/40/41/42
 - 3G: WCDMA: 1/2/4/5/8/19
- Wi-Fi 6

Security

- Arc side fingerprint sensor

108MP pro-grade camera

Ultra-wide and telemacro lenses

120W Xiaomi HyperCharge

Long lasting 5000mAh (typ) battery

120Hz AMOLED, Dolby Vision® supported

Dual speakers, SOUND BY Harman Kardon

Flagship Qualcomm® Snapdragon™ 888

Leading 5nm processor with dual 5G

Market-leading 108MP camera for unmatched performance

Xiaomi 11T Pro continues building on Xiaomi's impressive line of innovative camera technologies. Featuring a triple camera setup that consists of a 108MP wide angle, 2x telemacro, and a 120° ultra-wide angle, Xiaomi 11T Pro puts a film set in the palm of your hand. Combined with strong AI computational capabilities, 4K HDR10+ recording, over 1 billion colors, which enable Xiaomi 11T Pro to optimize for brightness, color and contrast ratios frame-by-frame, anybody can capture footage that will stun friends and social media followers alike.

Audio Zoom completes the content creation toolkit, allowing you to zoom in on objects both optically and audibly, while the advanced Night mode makes the smartphone the go-to creative tool day or night.

Always on hand with ultra-fast 120W Xiaomi HyperCharge

Don't let a perfect moment slip by having your device unexpectedly run out of juice. 120W Xiaomi HyperCharge offers the industry's fastest charging speed, fully charging the phone to 100% in an ultra-rapid 17 minutes*. What's more, this fast charging technology is offered on a massive 5000mAh dual-cell battery*, which makes for the best battery and charging technology combination that Xiaomi has introduced to-date. With this innovative battery technology, you'll enjoy longer usage, and it'll power you up from zero to 72% in just 10 minutes** all without overheating. In fact, in just a 10 minute charge you'll get 11 hours of calling, 7 hours of video playback, 5 hours of navigation, and 2 hours of video recording at 1080p.

For added peace of mind, Xiaomi 11T Pro features 34 battery charging safety features, maintains 80% battery health after 800 cycles, and also obtained the TÜV Rheinland Safe Fast-Charge System Certification. Plus, Xiaomi 11T Pro remains reliable even in difficult conditions, being able to charge in temperatures as low as -10°C.

120Hz AMOLED flat display to champion your creativity

Boasting a stunning 6.67" 120Hz AMOLED flat display with TrueColor, 1 billion colors, and 1000 nits peak brightness, Xiaomi 11T Pro lets content jump off the screen in cinematic brilliance. On top of that, expect buttery smooth visuals and extreme responsiveness without compromising battery life with its 120Hz AdaptiveSync and up to 480Hz touch sampling rate.

In fact, this display comes with an A+ rating from DisplayMate, an independent and media's most trusted rating agency. To achieve a top rating, Xiaomi 11T Pro's display has passed a battery of strict quality tests that gauge for a dozen different criteria. Xiaomi 11T Pro's screen is protected by Corning® Gorilla® Glass Victus™.

On the other side of the cinematic experience, audio also matters—and Xiaomi 11T Pro dedicated dual speakers deliver with SOUND BY Harman Kardon and Dolby Atmos® support.

Ultra Powerful Flagship Qualcomm® Snapdragon™ 888

Xiaomi 11T Pro is engineered to support your creativity, with cutting-edge photography capabilities and superb performance. A powerhouse creative tool in your arsenal, Xiaomi 11T Pro is built with the flagship Qualcomm® Snapdragon™ 888 mobile platform, which features advanced ISP capabilities to power your wildest creative undertakings.

Beyond creativity, the 5nm power-efficient manufacturing process ensures improved battery life while offering exceptionally fast performance in day-to-day tasks.

*Battery is split into two 2500mAh cell structures for a total capacity of 5000mAh.
