

NX30 5G

The most eco-friendly Nokia phone yet.

Colours:

Ice White

Cloudy Blue

Key features:

Built to do better, in so many ways.

Made with 100% recycled aluminium and 65% recycled plastic, NX30 5G delivers the smallest eco-footprint from HMD Global to date and brings premium features including the most advanced PureView photography yet.

Secure inside and out.

NX30 5G comes with three years of monthly security updates¹, so you can enjoy all its latest features with peace of mind. All activation and device performance data is stored on servers in Hamina, Finland, protected by rigorous European data laws.

Designed to go on and on.

NX30 5G has been built to push the limits of smartphone life expectancy. Three years of OS upgrades¹ and an extended three-year warranty² for extra peace of mind. Superior build with a robust metal frame and a tough display.

- IP67 protection makes it waterproof. The 6.43" PureDisplay with 90Hz refresh rate is protected by the ultra tough Corning® Gorilla® Glass Victus®.
- The 50 MP PureView OIS camera is packed with AI innovation. Capture Fusion brings the power of the main camera to your ultrawide angle shots for truly stunning landscapes. Dark Vision and Night Selfie deliver sharp photos and selfies long after sundown. The camera is protected by scratch-resistant Corning® Gorilla® Glass with DX+ that lets 98% of all light through the lens.
- The reduced packaging size saves on transportation CO2 emissions and is made from 100% FSC-certified and 70% recycled paper.

Sales package includes:

- NX30 5G device
- Quick start guide
- USB Type-C to Type-C cable (1m)
- SIM tray tool

Connectivity:	802.11 a/b/g/n/ac/ax-ready (2.4/5G dual band) Bluetooth® 5.1 GPS/AGPS/GLONASS/BDS/Galileo L1/L5 dual band Ambient light sensor Proximity sensor IR-LED Accelerometer G-sensor (6-axis) Gyroscope E-compass
Charging:	33W fast charging support (QC3.0, PD3.0, PPS)
Battery:	4200mAh ⁴ , Non-removable 800 charging cycles ⁵
I/O:	USB Type-C (USB 2.0) OTG
Dimensions:	158.9 x 73.9 x 7.99mm Weight 185g
SIM slot:	Nano SIM + Nano SIM
Other:	IP67 2 mics Under display FP sensor Biometric face unlock NFC + eSIM

¹ From the global launch date of NX30 5G. ² See coverage at "Manufacturer's Limited Warranty". ³ Pre-installed system software and apps use a significant part of memory space. ⁴ Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced. ⁵ Based on real-life usage test by HMD Global. See more info at www.nokia.com/phones/nokia-x-30-5g.
