

# ArcticStores

Sophisticated user friendly portable cold stores

For details on our new generation of cold stores  
and all other products and services please visit:

**[www.ArcticStore.co.uk](http://www.ArcticStore.co.uk)**

Designed and built with the user, reliability, performance and running costs in focus ArcticStores bring a new dimension to the temperature controlled, portable cold storage market.

For customers who do not need 3 or more palletwide cold stores, ArcticStores deliver an extremely cost efficient alternative to all other products available in the market! If you require 3 or more pallet wide please ask about our ArcticStore XXL or SuperStore models.

#### Standard features:

- High insulation value
- Flat anti-slip aluminium floor
- Easy, 1 hand opening door with inbuilt lock
- 220V Internal lighting
- Internal door opening
- Person trapped alarm
- Modern power efficient machinery (many with datalogger)
- Minus 40°C to plus 60°C range (subject to model)
- Maximum air temperature fluctuation 0.5°C from set point after pull down (most models)
- Hygienic stainless steel interior panels/aluminium floor
- Robust MGSS stainless steel exterior
- Internal fork truck/motorized pallet lifter use permitted
- Ramp to 500 Kg (heavy duty ramps available)
- 380/440V 3 phase heavy duty cable with 5 pin/32A CE plug
- Average age of our rental fleet is less than 5 years.
- Foundations or even ground is NOT required. Self bearing on the 4 corners

**Optional features**

- Air curtains
- Remote monitoring
- Loading bay height
- External lighting at door end
- Shelving, meat rails and other inventory
- If you are short of space ArcticStores can be stacked on top of each other.

ArcticStore	External			Internal			
Dimensions	Length	Width	Height	Length	Width	Load height	Floor space
20'	6.058 mm	2.450 mm	2.620 mm	5.427mm	2.292 mm	2.230 mm	12.4 m²
40'	12.193 mm	2.450 mm	2.620/2.900 mm	11.560mm	2.292 mm	2.230/2.530 mm	26.5 m²

Dimensions shown are typical and variances are possible.

**Financial advantages**

High insulation values reduce the machinery's need to work  
Low cost HIAB delivery and collection costs  
Prompt nationwide availability

**Additional advantages on many units**

- Economy mode for chill storage temperatures saving even more power
- Machinery incorporates the latest technology/software to minimize power consumption
- Flush fitting machines with no loss of internal capacity
- Self diagnostic machinery
- Full opening double doors

We believe 100% that ArcticStores do the job and do it better and much less expensive than most alternative products available in the market. The power savings are a real economic benefit every day, almost no downtime or call outs, your staff time savings and an almost perfect environment for your products and goods are additional advantages. Bottom line; we believe there is nothing better. Ask about ArcticStore XXL and SuperStores if you want 3 or more pallet wide storage facilities.

#### Environmental issues:

The containers are manufactured in accordance with the latest guidelines and legislation with regards CFC's. All refrigeration machines are new technology with low power consumption ensuring the lowest possible operating costs.

To the best of our knowledge all our containers/portable cold stores are manufactured using ethical practices and controls.
