

Technical drawing of a house plan with dimensions. The drawing shows a main rectangular area with a chimney on the left and a smaller structure on the right. Dimensions are provided in meters (m).

Overall dimensions:

- Width: 490 m
- Depth: 270 m

Internal dimensions and features:

- Left side structure width: 310 m
- Right side structure width: 85 m
- Chimney width: 20 m
- Central area width: 273 m
- Central area depth: 270 m
- Central area width segments: 60 m, 90 m, 130 m, 150 m, 110 m, 35 m
- Central area depth segments: 120 m, 100 m, 105 m, 140 m, 60 m
- Central area area: 465 m²
- Central area perimeter: 115 m
- Central area area segments: 60 m, 90 m, 65 m, 50 m

Technical drawing showing a window and a Christmas tree with dimensions in cm. The window is 120 cm wide and 185 cm high. The Christmas tree is 120 cm wide and 185 cm high. The tree is positioned to the right of the window. The window is divided into six panes. The tree is green and has a star on top. The drawing includes a scale bar from 0 to 215 cm.

[illegible]

Technical drawing showing a cross-section of a wall and roof structure. The drawing includes dimensions for various components and labels for materials.

Labels:

- SP BARGŁÓWKA
- 500 (ARIAL)

Dimensions (mm):

- Roof slope: 45°
- Roof thickness: 60
- Wall thickness: 70
- Horizontal distance from wall to first tree: 180
- Horizontal distance between trees: 210
- Horizontal distance from second tree to wall edge: 730
- Vertical dimensions (from bottom to top):
 - 140 (ground level to base of trees)
 - 100 (height of first tree trunk)
 - 125 (height of second tree trunk)
 - 145 (height of third tree trunk)
 - 95 (width of first tree canopy)
 - 95 (width of second tree canopy)
 - 140 (width of third tree canopy)
 - 110 (width of first tree canopy at base)
 - 65 (width of second tree canopy at base)
 - 100 (width of third tree canopy at base)
 - 130 (width of first tree canopy at top)
 - 105 (width of second tree canopy at top)
 - 35 (width of third tree canopy at top)
 - 150 (width of fourth tree canopy at top)

A circular color chart with a central black and white speckled circle. The chart is divided into several concentric rings and segments. The outermost ring is light gray. The next ring inward is divided into four segments: dark green (top-left), light green (top-right), yellow (bottom-right), and light yellow (bottom-left). The center is a black and white speckled circle. Labels with leader lines point to various parts of the chart:

- SAH 0371 points to the top of the outer gray ring.
- SAH 0460 points to the dark green segment.
- SAH 0190 points to the light green segment.
- RAL 8016 points to the yellow segment.
- SAH 0175 points to the light green segment.
- M TM1 704 points to the light green segment.
- SAH 0180 points to the light yellow segment.
